13 Feb'26:

→ Our python app for Pitch detection & showing frequency spectrum (all the frequencies) for each note we play/sing
— can show the 'timbre'

→ Checked previous homeworks – songs breakdown

→ Raag jayjayvanti – new composition in Telugu — Sharanu Gori — AI breakdown & translation
— HW: Fix the breakdown & translation

HW: Record audio with both people singing

and playing instruments, for these songs

(1) Mata Nirmala Maheswari

(2) Raag Bilawal — Jaag Uthe Song

(3) Raag Jayjaywanti — Sharanu Gori Song
(flute)
