HW: (1) Ch.1 textbook - English translation
- previous HW - write phonetics/Telugu
for Telugu words not as comments
but in brackets; Also, make
sure phonetics & Telugu text match.
Eg: b^havaDa ≠ వుడ

→ Checked how to convert ^{between} numbers and notes ^x melakartha raaga
(python code)

→ Checked how to format & breakdown
the phonetics, chandassu, swaras
and meanings in English & Telugu
for all the songs we learn

HL: Fix Haset Ali Song in
this format. Use Hindi/Telugu
book version for phonetics (not English)
