

Shri Zarathustra was a ^very intelligent young boy. At the age of 30, he went to a river and saw an angel. So, from that time, ^{shri} Zarathustra was telling that there is only one god but no one believed. So, one day he went to king Vistaspa and told him but king tested him and he answered correctly. So king believed him and told everyone to follow one god. Then onwards, ^{shri} Zarathustra taught everyone about God through songs called 'gathas'.
