→ Shilpa aunty's suggestions :

(1) Virata - practice $1\frac{1}{2}$ octaves,
(C scale + G-scale) ; 30 minutes a day

(2) Krishna - 2 to $2\frac{1}{2}$ octaves

(3) For singing higher notes, practice
lower notes first, which
will help with higher notes

→ HW: Akaradi sadhanas - English
translation - use phonetic
symbols & be consistent.

→ Verified all grahabhedhams with
Wikipedia

→ HW: Missing 52nd mekarktha
— finish it; Fix
formatting
