

Raja Janaka:

and the father of Shri Sita

Raja Janaka was a King, ^{the First}
primordial master who learnt about the
spirit from Ashtavakra even after that
though he had luxury, his attention
was always on the spirit.

A braham:

Abraham was the ^{second} 2nd primordial master who believed that there is only one God & when God told him to go to the promised land of Canaan, he went there with his nephew ^{Lot,} & wife ^{Sarah.} When Sarah was more than 80 years old, ^{God gave them a child.} ~~the child~~ finally arrived. But God tested by asking Abraham to kill his son. Abraham accepted, but God saved his son.

Moses: The pharaoh wanted to kill the kids under 2 years old so, Moses's mother kept him in a basket & the pharaoh's daughter took him. When he grew up, he knew that he was son of Hebrews but at that time, Hebrews were slaves. So, God told Moses to save Hebrews & helped them cross water by separating the red sea. Moses gave ten commandments to his people, after receiving them from God.
