

09 Dec'25

HW: Update Table of Contents - Grade 1 Tech
and also other subjects.

→ Markdown, Latex, Html - See AI notes
and example files

HW: (1) Edit all three file types and try
to add images and links to our
github files

→ Latex example - to create custom
copy tracing documents for handwriting
practice - Hindi, Telugu, English

Hw: (1) Download Latex Software (take
← your parents' help) (TeXStudio)
(TeXLive)

(2) Create documents Copy training practice

(a) Telugu Alphabet (Vowels, Consonants)

for the first few pages, followed by Telugu text for a story we studied.

(b) Do the same for Hindi

(c) Do the same for English
(Have both lower + upper case)

(d) Do the same for English,
but with cursive font
(“French cursive”)
