      ↓

Overview, Science experiments,

Others . . .

Evaluation:

By Virata	By Krishna:
For Virata: 90/100	**For Virata: 95/100**
→ Handwriting has to improve	Pay more attention
→ Homeworks finish faster	to do things faster
For Krishna: 90/100	**For Krishna:**
→ class style	→ class style — 70/100
	→ class content — 100/100
	$\frac{85}{100}$ —

→ we both should be always learning
  — teacher doesn't know everything
  — only God knows everything
→ Classes/learning should be joyful
  → In classes, we should work
    on useful projects — so its
    useful for everyone

Long term plan → NIOS A,B,C level
  texts for Maths, Science, Social
→ Open Stax textbooks — pre algebra,
                              (high school)
→ AP, TS, CBSE textbooks
